## TEA MENU

Whatever the kind, white, green, oolong or black, all tea comes from the same plant, Camellia Sinensis.

It is simply the way the plucked leaves are processed, that changes its character, chemical composition and appearance.

## BLACK TEA

### Caramel Cream Flavoured Black Tea

Enjoy the delicious melt in the mouth taste of butterscotch blended with the natural flavour of creamy caramel, a hint of vanilla and premium Ceylon black tea. A superb tea blend that can be enjoyed anytime, Caramel Cream is a favourite with many as an after dinner tea and works well with milk and sugar if desired.

TASTE :Wonderful, creamy smooth, caramel and vanilla taste

### Russian Caravan Black Tea Blend

Russian Caravan is a tea steeped in history! Following the Silk road traditions, we've combined an Assam a Lapsang Souchong (to give that smokey hint of the camp fires) and a light, bright Ceylon tea. We think this tea is worthy to be carried by any camel, but hopefully we'll get yours to you a little faster!

TASTE :Flavoursome with wonderful smokey overtones

### Mim TGFOP1 2nd Flush Darjeeling Tea

Mim is grown in the Darjeeling area of Northern India. At such high altitudes, the tea bushes grow slowly and so production is limited, and thus these teas attract a higher value. Plucked during June when the 2nd flush growing season is at its peak, this Mim tea offers excellent body with the classic muscatel flavour that tastes simply wonderful.

TASTE :Good body with classic muscatel character

### Duchess Earl Grey Tea

Dried lemon peels and orange pieces add a citrus twist to the traditional Earl Grey Tea making it a fantastic alternative to savour and enjoy. High quality tea is used providing a wonderful piquant flavour that when combined with a quality bergamot oil and citrus flavours has a full bodied finish. Beautifully refreshing and certainly one we think the Duchess would have approved of.

TASTE  
Excellent Earl Grey taste accented with piquant lemon

## BLACK TEA

### Classic Royal

Classic Royal Blend certainly lives up to its name. A tea at home in any Royal Household. Full bodied with a wonderful depth of flavour, Classic Royal harnesses toasty notes from the Darjeeling, true malty flavour from the Assam and a bright, lively flavour from the premium Ceylon tea

TASTE :Full bodied with malty, lively and toasty flavour

### Bukhial TGFOP Assam Tea

Grown on the south side of the Brahmaputra River near the remote region of Nagaland, Bukhial TGFOP Assam is a premium tea with a traditional leaf style. As rainfall is lower in this area, the bushes grow more slowly yielding outstanding crops that have all the flavour and strength you would expect from a top Assam tea estate.

TASTE :Rich, strong and flavoursome cup.

### English Breakfast Tea

A perfect breakfast tea that really will brighten your morning. Typically full bodied with 'get up and go' flavour that is especially enticing with a dash of milk..... ermm and...bacon and eggs, cereal, bagels or whatever else you might choose to start your day!

TASTE :Full bodied, enticing with milk

## OOLONG

### Ti Kuan Yin Iron Goddess Oolong Tea

There are several grades of Ti Kuan Yin - also known as Iron Goddess of Mercy. This grade has many favourable characteristics of the top supreme grades of Ti Kuan Yin. Oolong tea is often described as having a slight bitterness, we do not find this with this particular grade. The taste is sweet with a fragrant finish.

TASTE  
Light sweet cup with orchid like flavour

## ROOIBOS & HONEYBUSH TEA

### Honeybush Herbal Tea

Honeybush is a caffeine free herbal tea that is as healthy as it is tasty. High in antioxidants, Honeybush is wonderfully sweet with a honey like flavour and whilst slightly astringent, has a unique flavour often compared to apricot jam.

TASTE  
Refreshing and cleansing with hints of honey.

## GREEN TEA

### Jasmin Blossom Green tea

The wonderful Jasmine floral bouquet from this green tea is matched only by the taste. A high quality base tea and the finest Jasmine blossoms, which only bloom in May when they produce the most intense aroma, combine to produce a tea with body and a refreshing finish

TASTE  
Surprising body with a floral taste and refreshing finish.

### Japan Sencha Green Tea

Enjoy the smooth, rich flavour of this premium Sencha produced in traditional Japanese style. Commonly used in Japanese tea ceremonies, sencha leaves have a distinctive glossy look and feel that provide a rich and full flavour.

TASTE  
Smooth with a reasonable depth and body

## DECAFFEINATED TEAS

### Decaffeinated English Breakfast Tea

Using a Flowery Pekoe tea from the Dimbula region in Sri Lanka this decaffeinated English Breakfast is full of body. A high quality Ceylon tea is used as it retains its flavour better than others whilst undergoing the natural CO2 decaffeination process. With a balanced astringency and lovely floral notes, it truly makes a wonderful breakfast tea.

TASTE  
Full bodied, enticing with milk

### Decaffeinated Earl Grey Tea

An excellent Earl Grey using high quality grown Ceylon tea and natural bergamot oils. Decaffeinated by using naturally occurring Co2 combined with high pressure and temperature to extract the caffeine, you can be assured of a flavoursome and satisfying cup of tea.

TASTE  
Excellent Earl grey taste from natural bergamot oils
